## WHY SMALL GROUPS?

Faithbridge is not a church with small groups, we are a church of small groups. Small groups are the heart and soul of who we are. They are the ideal setting in which people can do life together and engage in the process of becoming more like Christ. Jesus and His disciples modeled the importance of belonging to a small group community and the life changes that take place.

## WHAT HAPPENS IN A SMALL GROUP?

The goal of Faithbridge small groups is to help every group member grow in his or her faith. All small groups include at least one of the following in every gathering: prayer, worship, Bible study or testimony. Newcomers are always welcome, even in the middle of existing trimesters, unless otherwise specified. Small groups are safe, confidential places where members care and support each other, especially in times of difficulty or loss.

## HOW DO I GET STARTED?

Groups meet regularly and run on a trimester basis. We have groups spanning a wide range of interests and serving opportunities. Find those that interest you and contact the group leader directly. To identify new groups starting this semester, look for the ☼ symbol next to the group name.
